

Inter-Dec College

## INTERIOR DESIGN

## INTERIOR DESIGN

A DYNAMIC PROGRAM FOR STUDENTS WHO WANT TO FEEL RIGHT AT HOME WHEN CREATING THEIR OWN PLEASANT, COMFORTABLE OR ELEGANT INTERIOR DESIGNS.

### COURSE OBJECTIVES

- Create beautiful aesthetic spaces and designs;
- Respect the residential and/or commercial needs of the client;
- Learn how to select the right materials that meet the industry standard;
- Develop visual & vocal presentation techniques to help you express your ideas;
- Master the technical skills required to draw out technical plans on a drafting table or computer;
- Organize your wild and creative ideas and put them on paper.

### PROSPECTIVE STUDENT PROFILE

- Artistically driven and talented;
- Great communication skills;
- Passionate about design and ability to think outside-the-box;
- Attention to detail and ability to work quickly and efficiently.

### ELIGIBILITY CRITERIA

To be considered for admission to a program leading to an attestation of college studies, you must have an education considered sufficient by the College or meet one of the following criteria:

- Completion of at least one year of postsecondary studies;
- Participation in a government program or an agreement between the College and your employer;
- Two semesters or one full school year must have passed since your previous studies (i.e. high school).

### CAREER POSSIBILITIES

As a graduate, you can choose one of three paths: residential, commercial, or institutional design. You will be able to work for specialized firms as a representative or consultant, and/or run your own business on the side. After a couple of years of experience, you will also be able to start your own business.

### BE A STUDENT FOR A DAY

Come spend the day with our students and teachers. This is a unique opportunity to help you make a better choice about your education. It's free of charge with no future obligations!

### PROGRAM LENGTH

Two years or one year and a half (five or six 15-week semesters). Total of 1965 hours.

### CLASS SIZE & FACILITIES

- Maximum 20 students per class;
- Industry standard drawing tables;
- 3ds Studio Max software and AutoCAD, the industry standard.

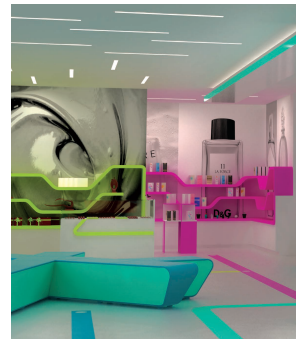

Caroline Scarzello et Maeva Tharsis

### DIPLOMA

Attestation of college studies

### REQUIRED MATERIALS

On the first day of class, the teacher will provide students with a detailed list of the required materials for the semester and then help them find the best deals. Be prepared to pay approximately \$600 on material fees.
