

## Early Childhood Education DEC 322.A0

### ABOUT TAV COLLEGE

TAV College is a government accredited private college. TAV prides itself on being a multicultural institution, where students from diverse backgrounds contribute to a rich and fulfilling educational experience. The aim of our college is to help individuals realize their full potential, academically and personally, while respecting their cultural and ethnic diversity. TAV emphasizes excellence in teaching and academic standards and encourages interaction between faculty and students.

## EARLY CHILDHOOD PROGRAM

An individual who has received a college diploma in Early Childhood Education works with children from 0 to 12 years old and can take part in daycare center management. The main function of this educator is to create an environment promoting the physical, motor, cognitive, language, socio-affective and moral development of the child by establishing with him or her a significant affective relationship. In addition, the educator's role is to develop, organise, lead and evaluate educational activities that promote overall child development

## CAREER PATHS

The educator in early childhood education can work in different types of care: Day Care Centers, child care, child care in schools, or be recognized as responsible for childcare in the home by a coordinating office.
